Quiet Zones

Fireplace | Learning Lab
(No conversation, please!)

Everywhere else—
quiet conversation allowed

TWEENS SPACE—From 3:30–5pm on school days, the first floor KidSpot becomes TweenSpace, open to students ages 9–13 for studying and quiet socializing. No food is allowed, only drinks.

SNACKS—Snack size servings and screw on or coffee-style drink lids are allowed inside. Soft drink cups & cans and full meals stay outside.

MALL BEHAVIOR—Aimlessly wandering the library looking for people, and gathering in large groups is not acceptable.

PDA NEEDS TO BE RATED G—Lap sitting and kissing are not acceptable. Would you want to see your grandparents doing that?

BREAKING THE RULES—Hanging out without purpose? Speaking with a loud voice? Roughhousing or being rude to a library patron or staff member? Your name will be added to the Warning List. Any dangerous or destructive behavior will result in automatic ejection from the library.

WARNING LIST—The Warning List is a record of your behavior at the library for the entire school year. If you break library rules, your name will be added to the Warning List. Your name stays on the Warning List the entire school year (September–August).

LIBRARY SUSPENSION—After two warnings, if you continue to break library rules, you will be ejected from the library and your parents will be called. You will be allowed back in at the discretion of the library director. Once re-admitted, each time you break the rules, you will be ejected; no more warnings! Your name stays on the Kicked Out List the entire school year (September–August).
