SRSLY Minecraft Server Parent Permission Form

Fill out the bottom of this form and give it to a librarian at a reference desk. Please allow approximately one week after turning in this form to be added to the SRSLY Minecraft server.

SRSLY Minecraft Server Rules

Understanding the rules is important to providing a fun, safe time for everyone on the server. The breaking of any rules will result in one warning. If you break a rule a second time, you will be removed from the server. If something is considered illegal or wrong at school, then it is most likely not tolerated on the server. The rules listed here are subject to change at any time. If you have a complaint, please record the date and time of the offense.

Gameplay Rules:

1. No griefing. Griefing is defined as the destruction, theft, or modification of something that you did not build or gather without given permission.
2. No explicit or offensive builds, which includes but is not limited to hate symbols, curse words, genitalia, or builds harassing players or towns.
3. No explicit or offensive player skins, which includes but is not limited to naked skins or those with swastikas or other symbols on them.
4. No large builds intended to deface the map/landscape. Removal is at the discretion of the moderators.
5. No hacks or client mods.
6. No purposely exploiting bugs for any reason.
7. No bypassing any punishment with an alternate account or other method.
8. No causing server downtime via any malicious method.

Chat Rules:

1. Be respectful of all other players.
2. No cursing, which includes words that when said aloud sound like curse words.
3. No insulting, harassment, teasing, name-calling, or bullying.
4. No spamming, which includes spambots, repeated identical messages, random text, repeated letters in words, or multiple short lines in quick succession.
5. No server bashing, as in no insulting the server staff or the server itself.
6. No discussions on politics, religion, or any other topic that is controversial.
7. No posting malicious or explicit web links, and no advertising.
8. No impersonation of any website, server, SRSLY or library staff.
9. No ASCII art
10. No continued use of wrong chat channels, especially the help channel.
