Public Participation

Meetings held by the Chelsea District Library are for the purpose of conducting library business. A Chelsea District Library meeting is not a "public meeting." It is a "meeting held in public." The difference between these two types of meetings is that a public meeting is usually designed for the free flow of information among all in attendance, whereas a meeting held in public is for observation and "Public Input" at specific times on the agenda.

Public Participation at Open Meetings

Meetings held by the Chelsea District Library are for the purpose of conducting library business. Public input is allowed during set times of these meetings and for specific amounts of time.

There are two ways to participate in a Board meeting:

- You may call the Board President or Library Director at least five days in advance of the Board meeting and ask to be placed on the agenda. The Board President or the Library Director shall use their discretion in accepting these requests. The Board decides what agenda items are to be discussed when they formally adopt the agenda at the start of their meeting. Once approved, you will be allowed to make your presentation to the Board.
- You may address the Board during agenda items listed as "Comments from the Public."

Individuals who are addressing the Board at a Board Meeting must state their name and the name of the organization or group they are representing, if that is the case.

Board members may question speakers, but the Board will not enter into debate or conversation during this portion of the meeting. In general, issues are referred to the Director for investigation, study and recommendation, designation as a future agenda item, or answered through written communication.

Director's Report Update:

L. Coryell update:

- The Midwest Lit Walk is next Saturday and Lori would like the board members to spread that news via word of mouth and to help drum up support and excitement for the event.
- Safety and security updates on now being published on the library's website. The new value statement was also added.
- Lori has researched GoDaddy and found that they've cleaned up their act dramatically, and so we have no current plans to drop them as a vendor.
- Emailed out digital copies of the latest Michigan Library Trustee Manual to all board members.
- A discussion of ADA compliant websites stemmed from Lori's rundown on the library conference in Philadelphia. This involves encrypting web code so that the blind and sight impaired can navigate our site with descriptive programs that read and describe the images.
- Lori passed out a pamphlet titled From Awareness to Funding, which covers information about voter perceptions and millages, relative to public libraries.
- A graph showing month to month spikes and trends in library usage over the past two years that Mel created was also shared.
- Lori showed the board the carpet selections that Linda decided on.

Strategic Plan Update:

- Lori read through her Strategic Plan report, which included the building's landscape project, moveable walls for the McKune Room, Walk to School Wednesdays, and proposed storyboard walks in Chelsea.
- Mel spoke on her work with the 4-H project: they got a grant from Microsoft and asked Mel to do a presentation on Surface Pro. Mel and Ron also volunteered to update their computers and give them recommendations on protection.

Friends Report Update:

• The Friends met on April 10 and the following day put on the Staff Appreciation Luncheon in the McKune Room, which was a wonderful event.

Other Reports Notes:

Charlie wanted to know want other big events were approaching, besides the Midwest Lit Walk and Summer Reading Program. Lori reported that Music in the Air is June 2 and that Artist in Residency will be in early July.

Public Comment: None

Presentation: Ron and Mel on tech security:

- The 1st level of security is the physical building of the library.
- The 2nd level are the servers, which are separated into Public and Staff for added security.
- The 3rd level is passwords.
- The 4th level is Symantec Endpoint software protection. The public computers also have Deepfreeze, so can't write to the hard drive, and require a reboot after logout, which wipes away everything the previous patron had worked on.
- So, can we prevent Ransomware? No. but...
- The 5th level is Firewall (which is an appliance that acts as a front door to our network). The Firewall only lets known entities in. Also, Mel will be upgrading to a newer Firewall later this year.
- The 6th level is backup. Backup is run daily on staff data and kept for 7 days. Additional financial data is backed up in 4 different ways: on an external hard

drive, on a thumb drive kept offsite, in the regular backup, and in a backed up copy of the original backup.

- The board asked about cameras. Ron explained that there will be two upstairs and one downstairs, covering the front door, and they've chosen a vendor and are now in the contract phase.
- Mel spoke about offsite storage for regular backup and exploration of options.
- Ron and Mel shared that they are also working on a tech plan for the next 5
 years, which will be distributed at the May board meeting and presented at the
 June meeting.

Action Item #1: Donations

DIRECTOR'S REPORT

Library Director's Report on April 2018 Respectfully submitted for May 2018 Board Meeting

Staff News

- Adult Librarian Shannon Powers marked her two-year anniversary on April 18th; and Library Assistant Beth Easterwood celebrated her fourteen-year work anniversary on April 26th. We are so fortunate to work with both Shannon and Beth!
- Part-time Adult Librarian Sarah Conrad becomes a full-time librarian, effective May 28th.
 This increase in hours will allow Keegan to manage her team more effectively and free up managers for bigger picture issues and tasks.
- We recently posted a 15-hour a week part-time Marketing Assistant position to assist with marketing duties. Our hope is to have someone on board by the middle of July just in time for fall promotions!

Financial News

We received the first of two State Aid checks in the amount of \$5,463.38.

Word of Mouth Marketing for May

- Summer Reading is just around the corner! Our theme for all ages is "Re4ading Takes You Everywhere!" Encourage friends, neighbors, and acquaintances to sign up and consider attending a program or tow (or three, or four) this summer.
- Music in the Air returns on Saturday, June 2nd at 2 p.m. in the Reading Garden and will feature soprano Joy Jan Jones and pianist Jacopo Giacopuzzi. A pre-event reception is planned for June 1st at 6 p.m. in the Reading Garden. Invitations will be sent digitally.

Grant Opportunity with 5 Healthy Towns

CDL is working with 5 Healthy Towns on a Learn, Play Every Day! proposal for the Ralph C. Wilson Jr. Foundation and Kaboom!'s *Play Everyw*here grant. If successful, Story Book Trail and Sensory in Motion Trail enhancements would be installed on the Hum Move and Groove Trail and trails crisscrossing St. Joe's and Silver Maples' property.

City of Chelsea Human Rights Commission (HRC) Survey

The HRC is seeking ideas from residents about human rights priorities in Chelsea to better serve the community. To that end, surveys are available at the Library on the second floor with a collection box. Survey results will be used to inform the public awareness and educational activities of the Commission. The survey closes on June 16th.

Strategic Plan 2017-19 Update

Goal progress from April – early May 2018 is shared below.

Goal 1.1 Realize the highest potential of the Library facility, fully utilizing all existing space to support optimal patron usage and experience.

- Landscape project for front of building continues with start date of May 10th.
- Portable wall system ordered for exhibitions.

•

Goal 1.2 Continue to diversify the Library's revenue sources.

Goal 1.3 Continue to advocate for and support high-speed Internet access throughout the Library service area.

 Attended multiple Michigan Broadband Cooperative meetings in response to the Lyndon Township RFI for Wholesale Broadband Providers.

Goal 2.1 Increase awareness/visibility of the Library throughout the community.

• Collaborated with 5 Healthy Towns on Learn and Play, Every Day! Grant application.

Goal 2.2 Conduct regular, meaningful outreach and engagement with residents and representatives of the rural areas of the Library's service district.

• Continued exploring the idea of creating Storywalks at different walking paths, parks, etc in the townships to provide a service for those patrons who may not regularly visit the library directly.

Goal 2.3 Strengthen and sustain relationships with schools in the district.

- Continue to work with 5 Healthy Towns, Silver Solutions, and Chelsea Schools on Walk to School Wednesdays initiative.
- Working with CHS teacher Shawn Sinacola on Little Free Library for Alumni Arbor.

Goal 3.1 Enhance the Library's programs, collections, and services to address the needs and interests of teenage patrons.

Goal 3.2 provide leadership around issues of diversity, equity, and inclusion through our programs, collections, and services.

• Our Midwest Literary Walk featured Michael Eric Dyson who was named amongst the 100 most influential African Americans by *Ebony Magazine*. He delivered a talk about race in the U.S. based on his book *Tears We Cannot Stop: A Sermon on Race to White America*.

Goal 3.3 Expand the Library's collection of non-traditional items.

Goal 3.4 Collaborate with our community's senior population to create deliberately designed intergenerational programming opportunities.

Every month, Tracy Heydlauff's 5th grade class meets up with seniors from the CRC to share
what they've been doing in school and work on small projects together. Their April meeting was
at the library! The 5th graders shared their Passion Projects and their favorite historical fiction
books with their seniors. Then, in honor of National Poetry Month, they wrote short acrostic
poems together. The student-senior pairs brainstormed locations they've both been (Paris, the
Grand Canyon, the beach, a 5th grade classroom), listed out descriptive details of their place, and
then created short poems.

Facility

Spring is finally here and Johnson Controls has been out to do our scheduled spring maintenance to get our system ready for the warmer weather. All went well and no issues were found.

Our re-carpeting project hit a small snag due to the factory not being able to provide all of the carpet we ordered by Memorial Day weekend. They will have enough to complete the administration area (including circ/tech/staff areas) but we will have to schedule another time for the computer lab and the youth/media areas. Library Design Associates assures me that we can to it afterhours and, since both areas have minimal furniture, it should go fairly quickly once started. The current estimate is that the remainder of the carpet should be available about mid-June. We like the admin/youth/media area carpet so much we are considering putting it upstairs also.

By the time you read this, the landscaping project should be underway! It is scheduled to start the second week of May and should only take one week. All of the plants we chose will not be available by then so Turner Landscaping will need to return to finish the plantings once they are available. We also received a small grant from the Chelsea Area Garden Club to spruce up Katie's Korner and volunteer Lynn Fox will be doing the work. The groundcover that was there was troublesome so it will be replaced with sedum and lots of bulbs planted to give us some lovely color out there every spring. I don't have an exact date for that project yet but expect it will also be in May.

Last but not least, our windows got their spring cleaning, in and out, so I hope things seem brighter!

Volunteers

We logged 103.25 non-book sale hours this month and 231 book sale hours. Book sale hours for March were 176. Used books continue to pour in daily by the thousands and donors seem so happy to have a place to bring their "old friends."

This month was also National Volunteer Week and Lori did the honors of passing out the small gifts we give each year to our volunteers as I was out of town that week. We have such wonderful, dedicated volunteers and they seem to really appreciate these small "thank yous" every year. I also enjoy having the chance to thank each one individually when I accompany them to the display case to pick their gift \odot

Programming/Strategic Plan

It was my pleasure to attend the Midwest Lit Walk this month and it was another amazing event! I think the afternoon only/three author model is working well as each venue was packed, with the Depot having standing room only. The committee did a great job choosing authors/poets and the order they presented in was just right, too. I heard so many positive comments from attendees as they milled about after each event. Can't wait until next year!

Respectfully submitted-Linda Ballard, Assistant Director

From Keegan Sulecki, Head of Information Services

April was a busy month with final preparations for Midwest Literary Walk. This included our pre-event, an Open Mic with Serendipity Books, some promotional pieces in collaboration with our partner DPTV as part of The Great American Read, and a radio spot with Martin Bandyke. We were also able to create a wonderful Earth Day display and enhanced our community's knowledge of available earth friendly products by having a raffle of a variety of items. I was also able to meet with Matt Pegouskie at 5 Healthy Towns to begin talking about the possibility of installing permanent Storybook Trails in the community. Ideally, it would be great to have one in each township to further our strategic planning initiative to reach more of that population. The meeting went well and I am hopeful we will be able to move of these opportunities in the near future. Finally, I began work on the 2019 projected budget. This will be my first time working on the budget since the department merger last year.

From Shannon Powers, Adult Information Services Librarian

April ushered in the Midwest Literary Walk and associated events. This was my first year working on this event from start to finish, and I was thrilled to see the successful end product after months of committee meetings and time spent creating promotional materials and organizing event logistics with Keegan and Patty. In addition to preparing for and staffing the Lit Walk, I also spent April preparing for our next CDL Top 5 event, finishing up orders and weeding before the CARL migration, and creating CDL Garage resource sheets in order to have all new items ready for the summer. Jessica and I also met with Antoine Jackson, Project Director of Youth Sports Initiative at the Community Foundation of Southeast Michigan, to discuss the Garage collection in relation to his own future non-traditional collection. Finally, April saw an increase in patrons interested in homebound book delivery services. I'm currently testing a model for lending DVDs, a service recently requested by several patrons that we hitherto were unable to offer.

From Laura Brown, Adult Information Services Librarian

I was on vacation during the Reading Glasses meeting—Shannon graciously led the group in April. Place that Face was cancelled due to the room in the Senior Center being used for high school testing. Purple Rose read an excellent new play by one of its members—we also had great patron attendance. I did much weeding of the adult non-fiction collection. I also placed many book and media orders in my assigned collections in anticipation of the library catalog being unavailable during the CARL catalog migration. I attended the Michigan Loleta Fyan Small and Rural Library conference in Traverse City at the end of the month. It was exciting to see so many other Michigan libraries represented from all over the state. I attended some thoughtful sessions about diversity and gained some programming ideas for the fall!

From Jessica Zubik, Youth & Teen Information Services Librarian

This was a great month for outreach opportunities! I had the unique experience of hosting Mrs. Heydlauff's 5th grade class from South Meadows along with their senior partners from the CRC. The students shared their passion projects and favorite historical fiction novels with their CRC friends. In honor of National Poetry month, I then led a simple acrostic poetry writing exercise, asking the student-senior pairs to brainstorm places they've both been and then choose one location to write a poem about. It was very inspiring to see generations come together to connect for an hour. Shannon and I also met with Antoine Jackson of the Community Foundation for Southeast Michigan to discuss a new project he's working on related to our CDL Garage collection. We shared information about our storage choices, as well as considerations such as maintenance, staff time and workflow for starting up a new collection, and ease of use for patrons. Mr. Jackson's project has the possibility to go into libraries across Southeast Michigan, so we also suggested a few other collections and libraries to tour as he collects more information. Finally, a Daisy Girl Scout troop met in the McKune Room for their meeting, and I walked them through some simple robotics and coding games using some of our makerChelsea equipment for younger kids. This was a very fun hour, and the scouts left with the beginnings of basic coding logic skills.

From Jody Wolak, Youth & Teen Information Services Librarian

April was busy month of programming, including two after-hours programs. I assisted with the extremely popular kids' lock-in and planned and ran the teen event called Night of 1,000 Fandoms. Unfortunately, Beach Middle School ended up scheduling a talent show for the same night as our teen event which impacted our attendance numbers, but those who attended had a great time with a variety of activities from different fandoms (Harry Potter, Star Wars, Hamilton, etc.). I also finalized the newsletter articles for summer events - we have a lot of great events planned for teens including their own exclusive finale party! Finally, I did a lot of ordering in advance of the migration to CARL.

From Edith Donnell, Youth & Teen Information Services Librarian

Edith secured Dori Hillstad Butler for North Creek's Author in Chelsea in 2019, worked on preparations for 2018 Summer Reading, and awarded the YSG volunteer of the Year honor to Aiden Reames. Aiden also received special recognition from local state representative Donna Lasinski in April. For outreach, Edith visited ECC and special needs preschool classes for storytimes, and scheduled a final Summer Reading visit to North Creek Elementary in May. She also delivered a large collection of former book club books from other libraries to the CHS ELA teachers for use in their classes. Youth Service Group planning for summer is almost complete, with many volunteer opportunities including helping prep for Thursday Night Sounds & Sights, helping with big summer events like Summer Reading Kickoff, and of course the Summer Reading Table, where kids get to choose their prizes for reading. Edith was able to complete weeding for most of the children's Picture Book Collection, and looks forward to being able to order new books soon, after the TLN CARL migration.

MARKETING HIGHLIGHTS

Midwest Literary Walk

The 2018 MLW authors evoked many emotions at this year's event! Will Schwalbe began the day by walking us down memory lane recounting the many books that had influenced his life, which in turn had the audience sharing their own favorite books and memories. Ada Limón switched emotional gears by reading her heartfelt and honest poetry, bringing both tears and laughter to the audience. The day ended with a standing applause for Michael Eric Dyson, who through his humor and passion urged the audience to recognize what it means to benefit from white privelege and how, by understanding the plight of citizens of color, we can start to diminish the injustices to which they are subjected.

For the second year running, each of our Walk venues was filled to capacity! We continue to reach our goals of highlighting the power of literature in everyday life, opening up dialogue around current topics and issues of diversity, and offering an event that draws visitors from all over southeastern Michigan helping to fuel our local economy. In addition to news articles written directly from our press releases, the 2018 MLW received additional interest from the media and literary/cultural organizations resulting in articles in The Chelsea Guardian, AnnArbor Book Society newsletter, and the Detroit Performs.org website.

Remarks from Walk attendees:

About Will: "Will's love of reading is contagious!" "LOVED! Total passion & connection. I crave that!" "Wonderful! Informative! Enjoyed his presentation! Thank you, CDL, for planning this event!" "Wonderful speaker and so well connected with audience."

About Ada: "A wonderful sensitive humorous approach to life & its traumas." "The emotion & volunerability of her poems spoke to me. I enjoyed the back-story to the poems, too." "As a non-poetry reader, I came to expand my horizons, and I'm a convert!" "Poignant & moving."

About Michael: "He opened my mind and spirit." "Now I have a new perspective. It is 'whiteness' I must deal with! That's how to make a difference." "I was offered hope, and a willingness to continue the fight for open communication." "OMG! What to say — amazing — a life changing experience."

Summer Newsletter

As I write this month's board report, I am also putting the finishing touches on our summer newsletter before sending to print. Local artistic talent continues to be featured on our covers and this summer's edition offers submissions from not just one artist but six! What a pleasure it was to work with the Chelsea Senior Center Wood Carving Group for the summer edition. The love for their craft is unmistakable in both the pieces they produce and their enthusiasm in sharing them with the community!

I was also fortunate enough to work with Mo Tait on our feature article, which you will find on page 5. It is an inspiring story about her Appalachian Trail Adventure and how books not only helped her prepare for the physical journey, but how they inspired her mental journey as well! There are so many wonderful new

programs offered this summer that I hope you take the time to read through all twelve pages of the newsletter and find the adventure that is just right for you! Newsletters are schedule to hit mailboxes beginning May 18.

Aiden Reames named Chelsea District Library Youth Services Group Volunteer of the Year

🗮 chelseaupdata.com/alden-reames-named-chelsea-district-library-youth-services-group-volunteer-of-the-year/

April 17, 2018

(Chelsea Update would like to thank Edith Donnell for the information in this story.)

The Chelsea District Library (CDL) is proud to announce that local Chelsea High School sophomore Aiden Reames has been named the library's 2018 Youth Service Group (YSG) Volunteer of the Year.

Started in 2015, this award recognizes a teen volunteer who has demonstrated outstanding leadership and commitment.

Aiden is a special asset to the library, helping librarians during the week with everything from collection management to craft preparation.

"Aiden was a bit shy at first, but over the years we have seen him grow and develop as a volunteer," said Youth Librarian Jessica Zubik.

Edith Donnell, head of the YSG at the library, agrees. "Aiden signs up for every shift that involves helping with collection-related work. Gradually he has signed up for more activities involving the public. He comes all year round, which shows great dedication."

Beach Middle School's 7th grade Leadership Class was what first brought Aiden to the library. "The leadership class I was in required students to get some public service hours for a grade. I had heard the library mentioned, so I decided to try out going there."

Aiden discovered that he liked volunteering at the library so much, he signed up for more shifts.

For Aiden, "volunteering is a way to feel useful, and a means to slow down in life, and get some time to think. I enjoy how relaxed it is, and how welcoming it feels to work there."

Aiden has discovered through his volunteering at the library that he would like to pursue a career in library and information services. CDL is proud to present this award to Aiden in appreciation of his hard work and dedication. A custom READ poster featuring Aiden will be on display in the library.

CDL is always looking for new members for the YSG who are going into seventh grade or above.

Interested students and their families can visit the Chelsea District Library website at www.chelseadistrictlibrary.org and look for the How Do I...tab to find volunteer information.

There is still time for students to sign up for spring volunteer opportunities by filling out an application and attending one of our YSG Orientation sessions.

YSG volunteers help with setup and cleanup for library programs, assist with running the Summer Reading Program, and support librarians in tasks important to the function of the library.

Chelsea Library staff, volunteers eager for Midwest Literary Walk to begin

MIDWEST LITERARY WALK

By Jim Pruitt espruitt/@gmall.com

The annual Midwest Literary Walk has become a staple in Chelsea and the event will celebrate its 10th year Saturday,

The event will feature authors Will Schwable, Ada Limon and Michael Eric Dys-

Why this collection of authors?

CDL Midwest:Literary Walk authors are selected by a committee that consists of library staff and community partners. We've been especially fortunate to have Chelsea residents Rich and Karen Fahle on our Lit Walk committee, as their knowhow and connections in the literary world (Rich is the founder of Astral Road Media and an executive producer at PBS Books) have helped us secure prominent authors.

When selecting authors for the eyent, we look for well-known and go event? authors with current, relevant works.

We've been lucky secure nationally acclaimed, award winning authors for this year's event and for past Walks. In accordance with the Chelsea

District Library's strateglo plan, we strive to host authors with diverse viewpoints and perspectives.

We also try to represent a variety of literary genres; Poetry has been a staple of the Midwest Literary Walk. Our poets tend to be crowd favorites, eyen among people who don't normally read poetry. We've also had authors who write historical fiction and contemporary fiction, as well as authors of historical and current social issues.

You can see former Lit Walk authors by visiting midwestliterarywalk org and selecting "Past Walks" from the top menu bar.

What will the authors be doing?

CDL: The Midwest Literary Walk hosts authors at various venues around town. Each author will speak on their latest work, as well as on their writing process and inspiration. Author talks vary in format from a conversation style interview to a more structured presentation. Many include readings. A book signing follows each

How and why has this event grown? Who came up with the original idea?

The Midwest Literary Walk was originon-fiction works on nally formed through a collaboration between former Chelsea District Library Director Bill Harmer and Wayne community members State University professor and poet ML Elebler. They knew each other through WSU and Bill was inspired by MI's work and his poetry-for-the-people message.

Together, came up with the MLW to put poetry out into the community to foster everyday interactions with the art form.

Through the years many different community members and organizations have been involved. This includes Liebler, Deb Greer from the River Gallery, Aubrey Martinson from the Chelsea Alchouse, and many more. Technology Summary of April 2018

From: Ron Andrews - Head of Technology

Technology

We officially signed a proposal from Detection Systems and Engineering for our security camera project. They came highly recommended from one of our other TLN libraries. As a reminder we are replacing the three outdoor cameras (North & South porticos and the staff door) and three new cameras inside the building (2 cameras on second floor, 1 facing north and 1 facing south) and (1 camera near the elevator facing the front doors). This company will also be updating our secure Access system/doors as part of this project also. We will be retaining our current touch pads and key fobs.

Leslie Abcouwer and I managed a booth at the Chelsea Expo. Leslie was answering questions about circulation and I was answering questions and doing demonstration of our downloadable services. (OverDrive, Hoopla and RBDigital) We had quite a large number of people inquiring about the service and few questions about specific use.

Melanie and I also attending a very interesting project from the Washtenaw 4H group. They received a grant from Microsoft that came with some refurbished Microsoft Surfaces. We learned from the workshop that it is focused on teens and specifically teen mental health. The project is very much still in the formation stages so we volunteered to run all needed updates and install Microsoft office on all of the Surfaces. We completed this task and then met with Sheri Montoye to give her our recommendations for security and filtering of their machines. We also told her that we would help as support on an as needed basis.

Melanie and I also had a wonderful time explaining Network Security to you at the board meeting! Budget

- Purchased and getting ready to install new Opac catalogs on the second floor. After the CARL upgrade we will look into replacing the catalogs on the first floor.
- DVD and Music orders have been temporarily suspended until after the CARL upgrade.

Collections

- It was a pleasure demonstrating the downloadable services at the Chelsea Expo.
- We will be exploring a new service called Kanopy that is similar to Hoopla but has more concentration on foreign and independent films.

Programming

 Assisting Lori with logistics for Music in the Air 2018. Piano secured, Senior site visits being booked, practice spaces being negotiated and program day audio needs being determined.

From: Melanie Bell - Network Admin

Servers and Network:

- Purchase and implemented the new Unitrends backup solution. Backups are running well.
 Ordered new hardware to implement an offsite backup solution.
- Configured a new firewall but was unable to get it working. After a bit of troubleshooting
 determined that the device was faulting. Meraki is shipping us a new one. We will once again
 configure and deploy in May.
- TLN replaced their equipment in our server room in preparations for the new telecommunications contract in July, (we will upgrade from 100Mbps to 150Mbps).

Broadband

- Lyndon Twp Broadband subcommittee has put together a site at lyndonbroadband.org where
 new information about the implementation will be posted. The township has hired the Finley
 Engineering Firm as the project engineer, construction manager, and inspection service for the
 Fiber to the Home build out. They also released an RFI for Wholesale Service Providers. Four
 firms responded to the RFI for Wholesale Service Providers and Lyndon Township is following
 up those firms.

Circulation Activities:

- We received 4 to 10 tubs in the run each day M-F with a total of 140 in April.
- Holds on the Hot Spots are 12 for Sprint & 29 for Verizon.
- On April 10th I had a conference call with Paul McCann & Mary Graulich from Dexter District Library about training staff for the new system. We will be exchanging some of our items so that we can recreate a more realistic training experience for our circ staff.
- On April 25th, I attended an MLA workshop on staff communication at Washtenaw Community College.
- So after 11-1/2 years at CDL Mindy Kinner as retired (for the second time, Mindy was a teacher in her previous life). April 26th was her official last day, although due to the passing of her father, she wasn't able to be here most of her last week. Mindy will be greatly missed by all who worked with her, but alas she has passed on her processing knowledge to Deb Pilarz with a wonderful "How to" book and Deb is getting used to her new schedule.
- And speaking of new schedules, when a staff member leaves it is our opportunity to shake things up, so you may notice that staff are now working some different shifts on a regular basis.

Respectfully submitted, Terri Lancaster Head of Circulation
